

Thank you for coming to our clinic.

If you have recently been to some other countries, especially China, Korea, Italy, or have been in contact with someone who may be at risk of getting the new coronavirus (COVID-19),

we are not equipped at this clinic to diagnose your illness.

If you have had a temperature of more than 37.5°C for at least 4 days, general fatigue, or a persistent cough, please call **Naka Health Center at 052-265-2262 between 9:00am and 5:30pm.**

If you need help outside these hours, please call **Naka Health Center at 052-241-3612 between 5:50pm and 8:00pm.**

Thank you for your cooperation. We wish you good health.
